## **AKCNOWLEDGMENT**

There are people, who simply by being what they are, influence and inspire you to do things you are never thought yourself capable of doing. Among these are my project guides, family members to whom I wish to extend my gratitude on the event of completing my project work. I would first like to thanks **Mr. Madhava Satuluri** for his timely suggestion and co-operation without which this project would have been an unfulfilled dream for me.

I am grateful to **Dr.V.H.Inamdar** Director IMCC, **Dr.Santosh Deshpande** Head of the Department for valuable guidance and my project Guide, **Mrs.Jayashree Patil** guided me a lot while doing the project. My parents, who have made me competent to face challenging tasks. I have pleasure in thanking them for their genius help in this project.

In addition, I wish to convey deep sense of gratitude towards the entire **NVidia Graphics Team**, who gave me invaluable knowledge during the internship period

Thanks  
Aditi Marathe
