Editor Dr Mrs Meenal Oak

12 Qualified Candidates During the Corona Pandemic and Post Pandemic Period (2020-21)

MES's
Institute of Management & Career Courses
(IMCC)

Announces
Virtual Workshop on
SET/NET for Library Science
Professionals

10th Batch, with Updated syllabus
Workshop Period:-
6th March 2022 to 12th June 2022
30 Days
(Including – Sundays & Public Holidays and – Convent
Saturdays)

Coverage: Paper I & II
Timing: 11.00 am to 1.00 pm
Workshop Fee: Rs.10,000/- (18% GST) – 11800/-
Maximum Seats: 100 (FCPS Basis)
Required: Minimum 10% Candidates

Introduction:-
MES IMCC after successfully conducting the first batch, announces the 10th batch of SET/NET Workshop for Library Science Professionals from the month of Sep 2018 to October 2019. Evaluation and grant for knowledge of earlier batches has encouraged us to continue with the efforts of providing workshop for SET/NET examinations for the benefit of the library science profession. The candidates registering for this batch will also have all their administrative work such as Mumbai, Ambalige, Aurangabad, Dhule, Nandgaon, Akhmednagar, Mungole, Solapur and various places near Pune as Marathwada, Borimal, Ahmednagar, registration to report for the interested library and information science professionals and students preparing for the SET/NET examinations.

Workshop Objective:-
To provide proper guidance to the future library professionals, in order to prepare them for the SET/NET Examinations by the systematic collection of the theory and objective results.

About the Workshops:-
The Workshop is having an academic as well as a social angle. As all of you are aware, the required academic qualification for a college librarian is M.Lib.Sc. and since last year passed SET/NET. It is observed that after getting the degree of M.Lib.Sc. the majority of the professional librarians are not able to pass the SET/NET exam after several attempts in so many years. It is a major hurdle for professional librarians in holding an academic career. This Programme will guide the participants and also give the required theoretical knowledge and the strategies for solving the test papers successfully.

Special Features of the Workshop:

- Best attended, the most successful and popular Workshop on SET/NET (Library & Information Science) in Maharashtra state.
- Awarded an overall certificate of 121 Units from Paper II to holding the overall 120 assignments based on the candidates before the SET/NET.
- as Qualified candidates in a total of 9 batches.
- Special sessions by eminent faculty from foreign countries.
- Focusing on building up MCQ's standard of the students through the sufficient basis on MCQ practice.
- Cost effective by payment facility from foreign countries.
- Received faculty in the field of Library & Information science and each faculty member has more than 20 years of teaching experience in higher secondary schools.
- Special facility for Paper I & II exclusive Virtual sessions.
- The conducive and supportive environment to the Workshop.
- Adequate time allocation for every unit (1 1/2 days for one unit) & Evaluation by conducting the test papers.
- Adequate time to solve the queries, doubts of the candidates.

Exminent Faculty:

- Dr. Anand Dhotekar, Director, MES IMCC
- Prof. C. B. Karandikar, In-charge Professor & University Librarian, Maharashtra University.
- Prof. S.K. Patil In-charge Professor & University Librarian, Santoshil Pratilal Patel University.
- Dr. Mrs. Meenal Oak, Librarian, In-charge Convent & Coordinator SET/NET Workshop & Coordinator, ICNIEE Study Centre.

MES's
Institute of Management and
Career Courses (IMCC)

PGDLIMAN

An autonomous Post Graduate Diploma in Digital
Library Management, Automation, and Networking

Duration: Year, A.Y. - 2022-2023

Weekly Sessions: Only on Sunday

Programme Fee: Rs.20,000/- (18% GST)

Timing: 11am to 4:00pm

Introduction:-
The Post Graduate Diploma in Digital Library Management, Automation & Networking (PGDLIMAN) is an autonomous program of MES's IMCC. It aims at developing the professional competence of the library and information professionals in an automated and digital library oriented environment.
The program focuses on in-depth practical sessions for building the technical skills of the students supported by regular sessions on the theory, in order to develop them as an independent library professional who will manage the library in the best of its interests. Librarians today are integral stakeholders by the digital and networked environment. ICT has an impact on the storage, functions, and administrative delivery of the library. The task ahead is a major challenge to handle the information data in the digital form and to manage it accordingly for serving the user segments in an effective manner.

MES's IMCC:-

- A student-centric premier Institute of Management and Career Program supported by the micro-union of the services in the noble cause of education.
- Recognized by UPEU, Pune, and approved by AICTE.
- An institution with highly conducive environment, located in the heart of farthest city of Kolhapur, convenient to approach.
- Admission through SET/NET.
- Based on sound Annual Working in the well-known computer in several projects.
- Focused training program designed to boost the placements of the students.
- An association with the best library facilities in the Pune region with the application of advanced ICT in teaching and learning, advanced ICT in teaching and learning, advanced ICT in teaching and learning, advanced ICT in teaching and learning.
- Focused in substantial excellence and overall development of the students, provision

- professional growing through the great lecturers, award alumni records, quizzes, soft skill programs, and many more.
- More than 500 students of IMCC are working in various positions in library in countries like USA, U.K, Canada, Germany & Japan.
- Conducts other UPEU-affiliated programs DTL.
- Recognized by UPEU, Pune.
- Believes in the slogan- education for all & provides an opportunity to reach out to the disadvantaged and also to those interested in continuing the learning process by offering the distance education program of ICNIEE & ICNIEE through its campus study center.
- Autonomous, non-degree program for the Library and Information Science Professionals in Maharashtra State.

PGDLIMAN:-

- An autonomous program of MES's IMCC.
- Focuses on in-depth practical sessions for building the technical skills of the LIS professionals.
- Availability of the hi-tech infrastructure: Two smart computer labs with 90 computers with all the required Licensed software.
- Industry training association.

Director's Message

The new educational policy - NEP 2020 is on the cards , and focusing on a holistic approach featuring the Multiple entry and exit options in degree courses, Discontinuation of MPhil Programs, Single regulator for higher education institutes, Low stakes Board Exams, Common entrance exams for Universities. The policy emphasizes the need to evaluate "higher order skills" such as creativity and innovation, critical thinking, problem solving, visualization, and idea generation. National Education Policy 2020 envisions an India-centric education system that contributes directly to transforming our nation sustainably into an equitable and vibrant knowledge society by providing high-quality education to all. In this regard the libraries are supposed to play a very crucial role in the higher education belt.

MES being an age-old educational society, focused on providing not only the education but also the skill based training programs for the varied domains . At MES IMCC, we are focused on introducing more elective programs for the MBA and MCA , as well as the initiation of the new autonomous programs under the umbrella of the MES.

The library has taken a lead in a consistent manner to run the postgraduate autonomous outreach programs PGDLIMAN (One year Autonomous Post

Graduate Diploma in Digital Library Automation and Networking) and SET NET Virtual Programme for the LIS Professionals (autonomous program of Library & Information Science) for the budding LIS professionals in the country for the last 5 years and more. The programs are conducted through the hybrid mode online and offline through the effective use of Google classroom , Gmeet and Zoom software . The positivity of the work and the focused attitude is the key of the library staff in effective administration and management of the IGNOU distance learning center of MES's IMCC , Library and information resource center along with the LIS autonomous programs hub. The conduction of the (VIDP) with the substantial response of 421 Library Science professionals participation from the 12 countries including the western and the asian continent was the special feature of the academic year.

I congratulate the librarian Prof Dr (Mrs.) Meenal Oak for the recognition at the International and at the University level through achieving the SLA ASIA's Information Professional Award 2022 constituted by the Special Library Association (SLA) McLean Verginia USA and the Best Librarian Award 2021 announced for the first time by the Savitribai Phule Pune University (SPPU),Pune India.

I wish InfoLibManager 2022 a grand success.

Prof. (Dr.) Santosh Deshpande

Director
MES IMCC, Pune

From the Institutional Librarian

The Indian education world is gearing up for the NEP 2020 implementation and hereafter the adoption of the changes which are on the cards. The adoption of the educational policy on the educational front will change the expectations and also the role of the library professionals henceforth.

Libraries being a service industry for the information and knowledge , the user expectations are constantly changing and expecting the remote accessibility to the information resources at the higher extent, library research support services including the bibliometric and biotherapy services , and library outreach services are much more in demand.

The librarians in view of the NEP 2020 will become more responsible to inculcate good reading habits among the readers and also to create and maintain a good academic and research culture. Furthermore, the libraries and the knowledge resource centers need to strengthen the library online and offline collection so as to maintain the quality and standard, ensure its quick

and effective accessibility across the society , promotion of a good reading habits across the country , creation and maintenance of the creative reading spaces etc in order to meet the varied user needs.

The libraries and the knowledge resource centers are continuously upgrading to match the situational changes in order to meet and exceed the ever growing expectations of the society. During the last academic year, MES IMCC Library and Knowledge Resource Center started providing additional access to e-resources including the World ebook database , N-list , ProQuest database and the IEEE ASPP database. Thus now an accessibility to a totale-resources with the Library web OPAC, library e-orientation, e book review competitions are the major highlights of MES IMCC Library and Resource Center .

Database awareness session through the google classroom, additional subscription to the online e-resources , conduction of the VIDP, conduction of the autonomous programmes as 10th batch of the SET NET Workshop, Completion of the PGDLIMAN programme (2nd batch) through the virtual mode were the effective milestones of the academic year.

For getting the best possible user satisfaction, the effective provision of information at a faster rate is a key component ! This year's issue of the Infolibmanager has included the key elements such as additional online

database access, library services and the collection, research activities of the library staff , user oriented activities conducted during the year .

Best wishes,

Prof.(Dr.) Mrs Meenal Oak
Librarian (Prof.-Level-14) & Coordinator IGNOU SC 16142

Library Profile: 2021-22

→ Library Features

- ◆ Situated in a separate building on the Institutional campus
- ◆ Accessibility and service provision through increased e-resources
- ◆ Upgraded library webpage
- ◆ Computerization of the library services and functions using KOHA an open library software
- ◆ Bar Code Technology for the Library Documents Transaction
- ◆ Back Up system

- ◆ Library Generated Bar Coded User Borrower Cards
- ◆ Digital Institutional Repository using the D-space open source software for the effective accessibility of the Summer Projects and the Institutional Intellectual output of IMCC
- ◆ Use of Dewey Decimal Classification system, 23rd ed. for the systematic arrangement of the library documents
- ◆ ILL service provision through the Membership of Jaykar Knowledge Resource Center, SPPU, Pune & MES's Institutions
- ◆ Document Reservation and Recommendation
- ◆ Library LAN and connectivity to Institutional LAN
- ◆ Annual Publishing of Library Newsletter- InfoLibManager
- ◆ Annual Stock Verification
- ◆ User OPAC and access to Project Reports through the IR in the library and on the Institutional Campus
- ◆ Students and faculty Database Development and Maintenance
- ◆ Conducive environment for study and research in the Library
- ◆ Library Blog
- ◆ Use of LIBQUAL+ for measuring users feedback on continuous basis
- ◆ Six sigma application
- ◆ Service up gradation
- ◆ Swami Vivekananda Section

→ **Library Services**

- ◆ Hall Reading
- ◆ Home Lending
- ◆ SDI & CAS
- ◆ Plagiarism % Testing of the Thesis Plag check software-OURIGINAL
- ◆ Digital Library Collection access
- ◆ Indexing Services
- ◆ Abstracting Services
- ◆ Current Updates through Display Boards
- ◆ Document Reservation Facility
- ◆ Systematic arrangement of the books using Dewey Decimal Classification, 23rd ed

-
- ◆ Printed Project reports
 - ◆ Users study
 - ◆ Newspaper clippings
 - ◆ Use Study
 - ◆ ILL through the JKRC, SPPU , MES Institutions
 - ◆ DLL through DELNET, India
 - ◆ Access to on-line databases ProQuest Management Collection and N-List & World ebook Database, ProQuest, IEEE- ASPP online database
 - ◆ Reference Service
 - ◆ Referral Service

→ Library Facilities:

- ◆ Document Scanning
- ◆ Reprography
- ◆ Internet Search
- ◆ Wi-Fi connectivity
- ◆ Digital Library & Web-OPAC
- ◆ Refreshments in the library- Coffee/ Tea/ Lemon Tea/Hot Chocolate
- ◆ Pure Drinking Water
- ◆ Reading Halls-2 with the capacity of 60 seats

→ Library IT infrastructure

- ◆ Zebra ZXP 32 Printer with ID making software for ID cards Printing
- ◆ Laser printer HP M 1005 for document scanning, Xeroxing and printing
- ◆ HP Laserjet 1018 printer

- ◆ Epson L 525 color printer
- ◆ Barcode scanners 02
- ◆ Lamination Machine
- ◆ Computers 12
- ◆ Laptop 01
- ◆ Fire extinguisher
- ◆ Biometry

- ◆ IEEE Xplore
- ◆ N-list
- ◆ ProQuest
- ◆ World e-book database

Library Activities

Library Orientation Program

MES's IMCC Library and Information Center has been conducting the library orientation program every year to create awareness about the library information resources available on the campus for the newcomer students of MBA & MCA programme.

A focused orientation programme on library and information resource center information resources and services conducted by Dr Mrs Meenal Oak for the A Y 2021-22.

An induction session including the demonstration of the digital institutional repository of MES IMCC, online paid and open databases, MES koha Library web OPAC, library webpage alongwith the other library activities such as e-book review etc. Dr Ravikant Zirmite, Head Computer Science also participated during the session in order to promote the reading habits among the students. The session followed by the question and answer session of the students pertaining to the library services and the resources. Dr Ashwini Patil coordinated the session.

Classroom session after the Pandemic and Post Pandemic period on Library Orientation of the MCA & MBA Programs

MES's IMCC Library & Information Resource Center
Cordially Invited to
Runanubandh Alumni Meet

On the occasion of 39th Anniversary of MES's Institute of Management & Career Courses (IMCC)

On the auspicious occasion of the Foundation Day of the MES IMCC, we are offering MES IMCC Library membership to all the IMCC alumni members for just 100/- per year; hurry to register and avail of the library facilities of the reading hall..... with the coffee/tea, reference service and reading of the springer oxford and much more Digital Information Resources ... more than 20 lacs ...

Day & Date : Saturday 17th September 2022 9.00 am to 4.00 pm
Venue: MES IMCC Library Building

Screenshot of the Activity poster

Database Awareness Program for the Students

A periodic database awareness program is conducted by the library after 6 months of the term. During this activity , students explore a variety of databases through a focused LAB session conducted by the entire library staff members . Students focusing on the keywords of their interest, leading to selection of the e-books & research papers.This has increased the awareness level of the students regarding the e-resources arrangement , downloading the select resources and utilization.

Celebration of the National , patriotic days to improve the knowledge and awareness

The MES IMCC Library & Information Resource Center taken a lead during the A. Y. 2021-22 for organizing the national and patriotic days of the Indian freedom fighters. This has given an opportunity for the students to know more about the people who sacrificed their lives selflessly for the freedom of India.

The pictures below are showing the display and the visits of the faculty and students going through the collection displayed on the varied days during the A Y 2021-22.

Best Practices

Application of Six Sigma in the library & information Center @ MES IMCC

The covid and post covid period is utilized by the library and information resource center to eliminate and streamline the processes to raise the effectiveness of the Library performance ; ultimately to service the users in a more efficient manner by applying the six sigma technique . From the last 3 years, the six sigma technique is applied for the more effective performance for the information service delivery . Major areas covered for the performance improvement are the circulation section , administration section including the acquisition section , library stacks etc .

Extending the digital accessibility to electronic resources :

The IMCC Library has undergone a major upgrade in the online service due to the impact of COVID Pandemic all over the globe. During the post Covid period, from the last two years the library started purchasing additional e-journals and e-books useful for the students and faculty, through the variety of databases

such as IEEE ASPP , World ebooks database through the DELNET National Consortium , ProQuest database , N-list and kopykitab.

Increasing the awareness about Electronic Resources :

A faculty members session on the institutional campus is conducted by Prof.(Dr.) Mrs Meenal Oak, librarian IMCC in order to increase the awareness level and the utilization by the faculty members. The session included the paid database and the open source databases awareness followed by an interactive Q&A based on the queries related to the research writing & publications, Impact factor, double blind peer review and UGC CARE list answered by Prof Meenal Oak.

It has created a positive impact on the students and also on the faculty members. The library uses the embedded librarianship approach and provides an online SDI service to the faculty members. The faculty members are proactively discussing the topics of interest and on the related areas of academic interest with the Librarian.

Library webpage of MES IMCC Library and Information Resource Center

The library webpage has been continuously upgraded on the institutional website to provide access to the e-books and e-journals through the paid and open source online databases.

The webpage provides an effective access to N-List , World ebook database , kopy-kitab e-books collection; whereas the IEEE (ASPP) , ProQuest accessible links through the Institutional Static IPs on the campus along with the provision of online membership to the students, faculty members and the research scholars, access to print catalog through the MES koha Library webOPAC facility facilitating the users to browse the library catalog, to know the loan record, Library document Status & the remote access to e-projects through the Digital IR Collection.

SET/NET Virtual Workshop

Every year MES IMCC conducts the 2 batches of the SET/NET Training programme for the budding LIS professionals in the society. Basic aim is to provide proper guidance to the fellow library professionals, in order to prepare them for the SET/NET Examination by the *systematic conduction* of the theory and MCQ's sessions from the year 2015. Basic attitude of MES for grooming the learners and enthusiasm and quest for knowledge of earlier batches has encouraged us to continue with our efforts of providing

training for SET/NET examinations for the benefit of the library science profession. For this programme, the candidates registering from all over the Maharashtra from *Mumbai, Bhusawal, Aurangabad, Shengaon, Nashik, Ahamadnagar, Mangaon , Solapur , Bhusawal* and Pune and various places nearby Pune as *Manchar, Baramati, Khed* etc

During the academic year 2021-22, the MES has conducted the 9th & the 10th SET/NET Workshop through a virtual mode. The programme was attended by 34 LIS professionals across the Maharashtra state. Professionals varied educational places Mumbai, Lonavala, Aurangabad, Pune etc . The sessions were conducted by eminent personalities from Karnataka and Maharashtra as well as the foreign countries like the USA and Bangladesh. As on date a total 41 qualified attempts have been done by the candidates from the 10 consecutive batches.
